

Launch into Work - Personal Carers

About Luson Health:

Luson Health is a provider of exceptional care through an outstanding boutique service model with a focus on exceeding expectation of our residents, friends and families. Enriching lives through healthy living, supporting the physical, social and emotional wellbeing of our residents and community.

About Launch into Work:

We are seeking 10 individuals who are passionate, caring and have a want to work with the elderly in a residential setting. This opportunity allows the successful candidates to undertake an intensive 6-week pre-employment program, where you will study 5 units of competency in aged care, complete a 100 hours of work placement and complete soft skills and workplace training.

There is guaranteed employment opportunities available at the conclusion of the program, commencing paid employment from 1st of July, 2018.

The program is to commence on 22nd of May 2018, it will last 6 weeks and with successful candidates having the ability to commit to up-to 5 days of training, work placement and support during the program.

Hours of training is 8:30am - 4:30pm, Monday to Friday
Hours of work placement are 7:00am - 3:00pm, Monday to Friday

About you:

You are enthusiastic and dedicated to making a difference.
You want to work with the elderly and are committed.

About Personal Carer roles:

Luson Health seek passionate and caring Personal Carers who are willing to assist in Food Service at Eden Park Residential Aged Care in Whittington and The Vue in Grovedale.

You will be working within an inclusive and supportive team of Registered Nurses, Enrolled Nurses, Personal Carers, General Practitioners, Allied Health professionals, residents and their families to deliver high quality clinical and personal care to residents of Luson Health.
